MINERVII VALPOLICELLA RIPASSO CLASSICO SUPERIORE D.O.C.

PRODUCTION.

Ripasso is an excellent red wine, made from the typical grapes of Valpolicella.

At the end of the first fermentation, it is left to rest for some time; it is then fermented again on the marc of the same dried variety to produce Amarone.

The Ripasso technique is exclusive for Valpolicella and has been registered as a unique brand by the Veneto region.
